Welcome

The Education Training Collective (Etc.) is a group of vibrant colleges and training providers, incorporating Stockton Riverside College, Redcar and Cleveland College, Bede Sixth Form College, NETA Training and Innersummit. Etc. delivers a full range of adult education courses, including distance learning, part-time study, access to higher education, higher education, apprenticeships, employer-led short courses, and commercial training.

The decision to go back into education as an adult often requires a lot of thought. We hope this guide provides the answers that you need to make an informed decision about your future.

Part-time courses offer adults the flexibility to study alongside their work and life commitments. Whether you are looking to learn something new, boost your CV, or embark on a career change, our part-time provision has something for everyone, from construction to care, maths to management, and everything in-between.

Designed with you in mind, we aim to provide training that will fulfill your goals and increase your opportunities. Our course content is intentional and ensures learners are taught the skills that employers are looking for in the workplace.

Studying with us means smaller class sizes, more one-to-one support from tutors, and a relaxed and friendly learning environment. Staff at the Etc. care about learner success and take pride in being able to play their part in helping shape lives and create successful outcomes through education.

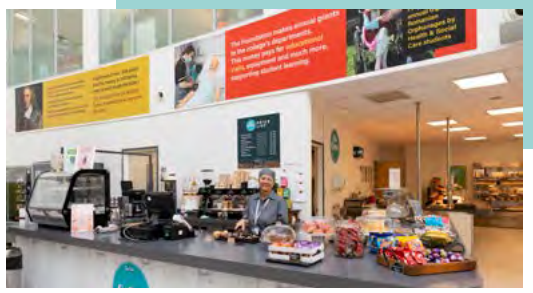

Read through this guide to get an insight into our group's part-time offer. We hope that you find a course that matches your ambition. Once you're sure of your next steps, just submit your application online and we will be in touch with you about the next steps.

We are delighted that you are interested in studying with us and look forward to supporting you in the next chapter of your life.

Campus Life

LEARNING RESOURCE CENTRES (LRC)

All our adult students can access our learning resource centres. Each has an extensive range of learning materials to support your studies, along with a variety of ICT facilities. Our LRC teams are also on hand to offer support.

VIRTUAL LEARNING ENVIRONMENT (VLE)

We offer all students use of the VLE, helping you to communicate with tutors, as well as providing access to course materials. The VLE can be accessed both on campus and remotely, helping you to complete your studies, wherever you are.

LEISURE FACILITIES

As a student you will have access to our leisure facilities across all our sites, this includes refectories, a café, hair and beauty salons and free access to our sport and gym facilities.

TECHNOLOGY

Our sites have some of the most advanced technology to help meet the demands of your course. This includes enhanced ICT facilities and industry-standard equipment relevant to your field of study.

EARLY YEARS

The Early Years and Education department at Stockton Riverside College now has a dedicated practice suite where you can develop your skills in facilities that replicate a real-life work environment! This exciting new area has specialised early years resources and equipment to support your progress in practice. It also includes a teaching area which mirrors a real-life classroom.

MOTOR VEHICLE

Our fully operational motor vehicle workshop at Stockton Riverside College has been upgraded with industry-standard tools and machinery. Our students get to learn their trade working on cars with some of the latest kit in vehicle technology. The workshop has two car lifts, dedicated bays, an electric car rig and so much more!

HAIRDRESSING AND BEAUTY THERAPY

At Redcar and Cleveland College, learners can build their skills in the in-house Mosaic salon. Mosaic offers a range of hair and beauty treatments to the public, operating as a fully equipped commercial salon using high-end brands such as Wella and Dermalogica. Mosaic ensures all hair and beauty learners receive real, hands-on work experience. To make an appointment, call **01642 777 184**.

Hair and beauty learners at Stockton Riverside College can get a feel for work life during their studies in the Serenity Salon. It boasts the latest equipment and technologies to support our learners with their training and offers high-quality services to the public. The Serenity Salon is at the forefront of current trends in the industry, offering everything from creative colouring and cutting, electrical body and facial massage, laser hair removal and various nail treatments, including nail extensions.

To book a treatment at Serenity Salon, please call **01642 865 559** for more information.

NEW NETA

Opening soon, NETA Training's purpose-built Thornaby centre combines modern engineering facilities with strong industry partnerships, giving students access to specialist workshops, industry-standard equipment and the practical skills, knowledge and insight needed for a successful engineering career.

ALL ACCESS ACADEMY

NETA Training's All Access Academy in Redcar is a specialist training centre designed to provide a realistic, industry-focused environment for vocational learning. Featuring purpose-built training structures, modern learning spaces and industry-standard equipment, the academy delivers specialist training in scaffolding and working at height, alongside dedicated facilities for rigging, rope access programmes and confined space training.

Study Options

RAISING ASPIRATIONS

New for 2026, our Raising Aspirations courses are designed for adults who are new to education and have no formal qualifications.

These short, entry-level courses allow learners to develop new skills, build confidence, and explore new opportunities.

On completion, learners can pursue further education with our Pathways to Employment programmes, designed to continue the journey towards sustainable employment and future success.

PATHWAYS TO EMPLOYMENT

Our Pathways to Employment programmes support eligible adults aged 19+ who are unemployed, looking to retrain, upskill or change careers.

Designed around real industry needs, programmes equip learners with sector specific knowledge, essential skills and the practical work-ready experience needed to secure sustainable employment or progress within employment.

Pathways can include a range of qualifications which may be delivered. During induction, you will learn about the specific qualifications that will be delivered on your programme.

Fees and Finance

ENGLISH AND MATHS

Eligible adults aged 19+ may be able to study English and maths up to Level 2 for free, subject to funding eligibility and previous attainment.

FULLY FUNDED COURSES

Eligible Tees Valley residents aged 19+ may be able to study eligible qualifications at Levels 2–5 for free, depending on the qualification, previous attainment and individual circumstances. Funding is available for eligible unemployed, self-employed and employed learners, including those looking to change career, as well as for some bespoke employer-led programmes.

EMPLOYER CONTRIBUTIONS

If you are an employer looking to upskill your workforce, funding may be available towards bespoke training programmes. Where an employer contribution is required, this is 10% for small and medium-sized employers and 30% for large employers. We can advise you on eligibility and funding when discussing your training needs.

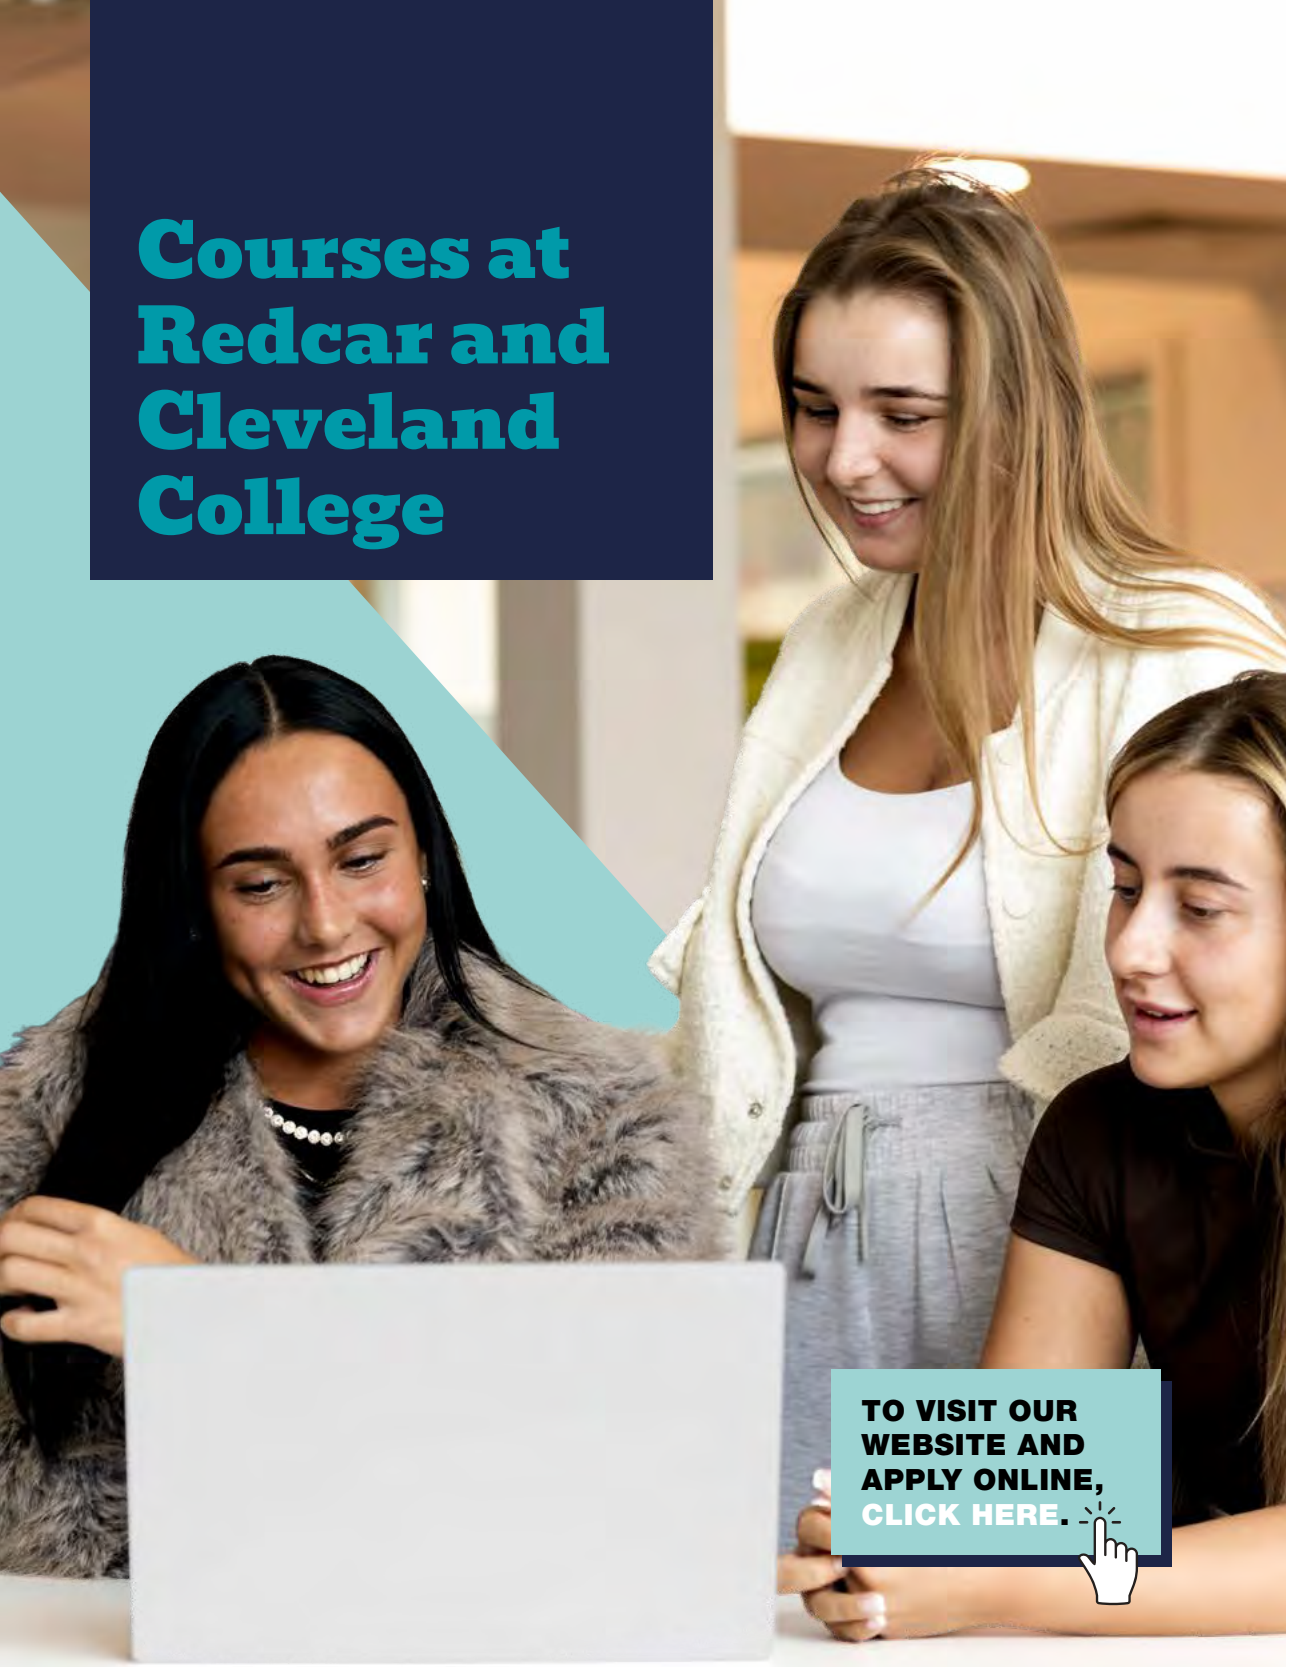

FUNDING AREAS

Most of our adult provision is funded by the Tees Valley Combined Authority (TVCA). Some learners may fall within North East Mayoral Strategic Authority, Department for Education or York North Yorkshire Combined Authority funding areas, where different eligibility and funding rules apply. We will confirm your eligibility when you apply.

ADVANCED LEARNER LOAN

If you are aged 19+ and are not eligible for funding, you may be able to apply for an Advanced Learner Loan towards the cost of an eligible Level 3–6 qualification. Find out more at GOV.UK or contact Student Services for support.

KING'S TRUST TEAM PROGRAMME

The King's Trust Team programme is a 12-week personal development course aimed at young people aged 16-25 who are currently unemployed. The King's Trust Certificate in Employment, Teamwork and Community Skills is available at Levels E3, L1 and L2.

Team is offered at a variety of centres throughout the North East including Stockton, Middlesbrough, Redcar, Catterick, Bishop Auckland and Darlington, with start dates throughout the year.

KING'S TRUST ACHIEVE PROGRAMME

The King's Trust Achieve programme is a year-long course for young people aged 16-18 who are unsure of what vocational area to progress on to or may need to develop their confidence.

The course includes a King's Trust Certificate in Personal Development and Employability at E3, L1 or L2, two days per week on work placement from January, and maths and English functional skills or GCSE.

Achieve is offered at Redcar and Cleveland College and Stockton Riverside College.

Expert Advice

They are here for you, all year round. They offer impartial information, advice and guidance on:

- Education
- Training
- Careers
- Job search
- Higher education
- Technical qualifications
- Apprenticeships
- Current labour market information

ADMISSIONS TEAM

When it comes to choosing the right course, our experts are here to help you. Speak to a member of our admissions team for course details, advice about progression routes, fees, repayment and student loan opportunities.

CAREERS SUPPORT

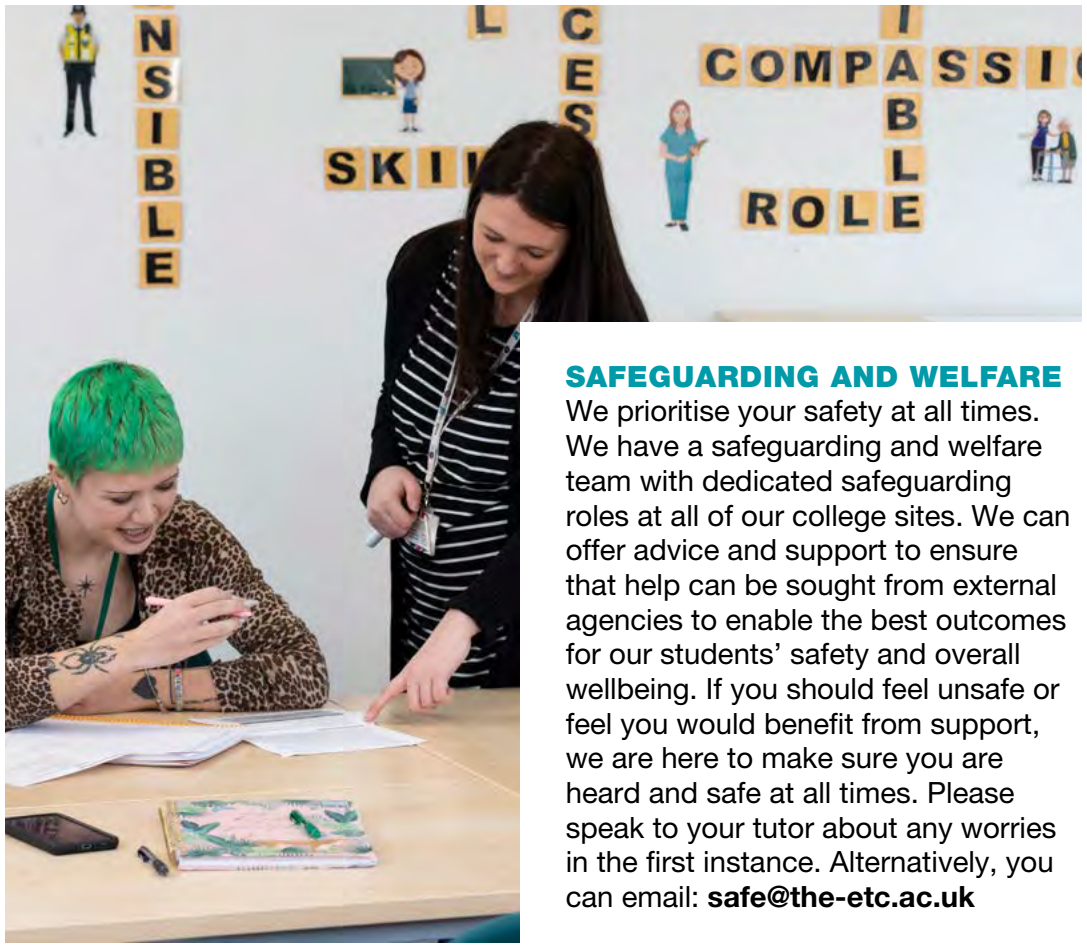

Whether you have chosen your future career or not, our highly qualified and experienced careers coordinators can help you plan the route to your success. They will support you to make informed decisions about your future, help raise your aspirations and reach your full potential. Our colleges have the Matrix Standard accreditation which confirms the outstanding, comprehensive advice and guidance delivered by our team.

Their careers advice is based on an embedded programme of careers, education, and guidance, which meets the Gatsby Good Career Guidance Benchmarks. These benchmarks ensure you have access to quality careers guidance, together with experience of the workplace, encounters with employers, and current labour market information. This allows you to make informed decisions and choose a career that is right for you.

matrix quality standard for information advice and guidance services approved by the matrix Accreditation Body

How We'll Support You

We want all of our students to enjoy their time with us, so we offer a range of services to make sure you'll always feel comfortable and supported. If you need help in or out of the classroom, just ask.

SAFEGUARDING AND WELFARE

We prioritise your safety at all times. We have a safeguarding and welfare team with dedicated safeguarding roles at all of our college sites. We can offer advice and support to ensure that help can be sought from external agencies to enable the best outcomes for our students' safety and overall wellbeing. If you should feel unsafe or feel you would benefit from support, we are here to make sure you are heard and safe at all times. Please speak to your tutor about any worries in the first instance. Alternatively, you can email: **safe@the-etc.ac.uk**

EQUITY, DIVERSITY, INCLUSION AND BELONGING

We value the diversity of our college community and promote inclusion for all. We take steps to ensure that all of our students have equal access to our services. We encourage a culture of respect and commit to tackling prejudice at all levels. By encouraging students and staff to share their own experiences, we aim to promote mutual understanding, tolerance and respect.

SEND/EHCP

We are committed to supporting you to meet your individual goals and aspirations. We welcome applications from students with special educational needs and/or disabilities (SEND). We will work with you to provide the right resources, support and services to meet your needs. To ensure we can provide the appropriate support, we will ask to see a copy of your Education, Health and Care Plan (EHCP) or SEN Support Plan. This allows us to understand and determine how best to meet your support needs. We work closely with the local authorities and ensure we adhere to the special education needs code of practice.

LEARNING SUPPORT

Our learning support team is dedicated to making sure our learners receive a support interview and make sure the appropriate support is put in place. Our aim is to make sure learners are respected and cared for as individuals. Additionally, we will help learners to reach their potential by offering encouragement and support at all times. Learning support services include support for students that are visually impaired, have a hearing impairment, those with mobility issues, dyslexia or any learning or physical difficulty and/or disability.

How to Apply

1. FILL IN AN APPLICATION FORM
Please visit the college website, select your chosen course and click ‘Apply Now’. You will be directed to our online application form to complete your application.

2. ATTEND AN INTERVIEW
After we have received your application, you will be invited for an interview. To help guide you to the appropriate level of learning we will assess your current skill levels, previous qualifications and experience. Please note, for some courses you will need to apply for an Enhanced Disclosure and Barring Service (DBS) check.

3. RECEIVE AN OFFER
Following your interview, we will let you know whether you have a conditional or unconditional offer.

4. ENROL
We will provide you with further details on how, when and where to enrol. We look forward to welcoming you on campus.
