This policy applies to all Education Training Collective (Etc.) delivery at all campuses, including:

- Stockton Riverside College
- Redcar & Cleveland College
- Bede Sixth Form
- NETA
- Innersummit

General Principles

Etc. will charge all learners, or their nominated sponsors, fees unless they qualify for exemptions or fee remission.

Fees for courses will be published on the Etc. college website (for example: www.stockton.ac.uk) and / or in College/Group printed course guides and publications.

Fees will comply with Department for Education (DfE) and other relevant funding body regulations and guidance. This includes the Tees Valley Combined Authority, or other bodies with devolved responsibility for skills funding. It should be noted, therefore, that learner eligibility, and therefore the fees applicable for their provision, may vary as a result of their home postcode, as required by the relevant funding body. Funding bodies update funding regulations in year and, as such, changes to funding rules will supersede the information published in this policy.

Fees for courses will, in general, be set in line with market conditions for a particular course.

Fees for courses can include tuition fees and examination costs (including registration), although in some cases learners may be required to apply directly to awarding bodies over and above the fees paid to Etc..

Payment

Fees can either be paid in full at enrolment or, for some courses, learners can sign up for an instalment plan to enable them to spread the cost. Learners can pay for fees by any of the following methods:

- Cash
- Cheque
- Credit or debit card
- Direct bank transfer
- Direct Debit
- *Employer Funded - Learners whose employers have agreed to pay their fees are required, at enrolment, to produce a declaration / letter from their employer to*

confirm their agreement.

- *Loan Funded Learners - Learners who are funding their course via an Adult Learner Loan are required, at enrolment, to provide evidence of a successful loan application.*

It is recognised that some situations may prevent students paying fees, proving exemption from fees, providing an employer letter or evidence of adult learner loan acceptance at the point of enrolment. In these cases, students may be enrolled without payment or proof only after completing a Direct Debit mandate. Over the next 14 days the College will work with the student to resolve any issues. If at the end of this period the situation remains unresolved, the relevant Head of Department will review the situation and the student may be withdrawn from the course. Should the student be allowed to continue studying fees will be collected by Direct Debit monthly commencing on the 7th of the following month. A payment plan will be sent to the student in advance of the first collection.

Fee Remission

Full costs will be applied unless the individual meets remission and residency criteria set out by the DfE¹, TVCA, NEMCA, YNYCA or other appropriate funding agency. Currently fee remission on DfE funded courses is given to:

- Learners who classify as Electively Home Educated and are enrolled on 'part time' courses

16-18 year old learners:

- Learners aged 16-18 on 31 August in the year that they start their course
- Learners on two year courses aged 16-18 on 31 August in the year that they started their course

19- to 23-year-olds

- English and maths up to and including level 2 for individuals aged 19 and over who have not previously achieved a GCSE grade A* - C or grade 4 or higher, and/or have been assessed as having an existing skill level lower than grade 4 (even if they have previously achieved a GCSE or equivalent qualification in English or maths)
- first full qualification at level 2 for individuals aged 19 to 23, and/or

¹ The information in this section is provided as a guide and may change in line with changes and revisions to DfE / TVCA / NEMCA / YNYCA funding regulations. Individuals should refer to the most recent funding guidance – or that relevant to the funder in question - which will supersede detail set out above.

- first full qualification at level 3 for individuals aged 19 to 23
- Essential Digital Skills qualifications (EDSQs) OR Digital Functional Skills qualifications (FSQs), up to and including level 1, for individuals aged 19 and over, who have digital skills assessed at below level 1
- Where learners meet eligibility criteria and are below the earnings threshold criteria or are unemployed:
 - free course for jobs
 - level 2 local flexibility
 - Heavy goods vehicle (HGV)
 - 19 to 24 work placements

- Level 3 free courses for jobs offer; Learners without a full level 3 or above accessing a qualification on the free courses for jobs offer qualifications list and who meet the earnings threshold criteria; Fully funded. Learners who already hold a level 3 or above do not meet the earnings threshold criteria; Loan funded
- Learning to progress to level 2 (local flexibility and legal entitlements); For those eligible for their first full level 2 and who meet the earnings threshold criteria; Fully funded. For those who do not meet the earnings threshold criteria: Co-funded
- English for speakers of other languages (ESOL) learning up to and including level 2; For those who meet the earnings threshold criteria; Fully funded. For those who do not meet the earnings threshold criteria: Co-funded

Fee remission does not apply to courses described as “full cost”. The eligibility for a particular course for DfE funding does not guarantee that Etc. will utilise funding for the delivery of that course, meaning that fee remission will not apply.

Learning Loans

Advanced Learner Loans are similar to higher education loans; to qualify learners need to meet all of the following criteria:

- Aged 19 and over (*at the start of the course*)²
- Residency criteria set by Student Finance England
- Studying at Levels 3 to 6 on qualifications set out in the “Advanced Learner Loans qualifications catalogue”, including:
 - A-levels and AS-levels
 - Quality Assurance Agency (QAA) Access to Higher Education Diplomas
 - General and technical qualifications at levels 3, 4, 5 and 6

Advanced Learner Loans are not means tested and do not require a credit check. Eligible learners may apply for a loan through Student Finance England. If approved, the loan is paid directly to Etc. on the learner’s behalf. Learners whose loan application is declined, withdrawn, or otherwise not approved by Student Finance England will remain liable for any outstanding course fees.

Learners do not pay course fees upfront. Repayments are only made once a learner has completed or left their course and their income exceeds the repayment threshold applicable to their student loan repayment plan. Further information is available from Student Finance England at GOV.UK.

Apprenticeships

Etc. will charge for the delivery of training and assessment services in line with ESFA guidance and regulations. Charges will be published, agreed with employers and recorded (for Levy paying companies) through the Digital Apprenticeship Service (DAS). Apprenticeships may be subject to a dedicated contractual relationship between Etc. and the employer.

Lifelong Learning Entitlement (LLE)

From January 2027, funding arrangements for some Level 4 to Level 6 qualifications may change as part of the government's Lifelong Learning Entitlement (LLE). Eligible learners studying qualifying higher-level courses may be required to apply for LLE funding rather than an Advanced Learner Loan. The College will provide applicants with the appropriate funding information at the time of enrolment.

² Please refer to Appendix A and detailed guidance published by the DfE

Other Programmes

Individuals and Employers may also be required to contribute to the cost of other programmes, as required by the funder. This may include, but not be limited to:

- Bootcamps,
- Bespoke Employer Led Programmes

Additional Charges

Material and Supplementary Charges:

Additional charges may be levied, where appropriate, on a course by course basis, unless the learner is eligible for fee remission and the item is deemed, by Etc., as essential to the delivery of the course. These charges cover items including, but not limited to, uniforms, protective clothing, kits, tools, books, learning materials, consumable materials, work placement fees and Disclosure and Barring checks. Where supplementary charges are due they are payable by all learners on relevant courses including those aged 16-18 at enrolment. Materials and supplementary charges for individual courses will be published by Etc.

Photocopying and Printing Charges:

Students may be given an initial printer credit to ensure the registration process is successful. Subsequent printing will be paid for by the student. Certain courses have been identified where the initial credit will be topped up by an amount collected via the materials charge.

Educational Visits:

Some programmes include educational visits. Students may be expected to meet these costs themselves.

Examinations:

Students may be charged for examinations that, for no good reason, are not attended. Charges may also be incurred for the cost of re-booked exams.

Additional

Refunds

Refunds for fees may be given where:

- The course is cancelled by Etc. - fees and charges will be refunded in full.
- It is deemed necessary to close a course programme before the planned end date – Etc. will refund the unexpired portion of the fees and charges.

As Etc. relies on the income from a full class group to cover the costs of delivery, it is not in a position to refund fees to individuals who withdraw from a course due to changes in personal circumstances. Senior managers have discretion to award refunds on compassionate grounds or where there are extraordinary circumstances outside the control of the individual which could not have been foreseen.

Where learners take out an Advanced Learner Loan the fees are paid to Etc. by the Student Loans Company on a monthly basis up to the point where the student withdraws from the course. The loan accumulated for the learner will be for the same amount. Fees will not be refundable for Advanced Learner Loans unless the course is cancelled by the College/Group and any remaining balance of fees owed will be due from the student.

Non-payment of Fees

Learners are required to meet all payments, either at the commencement of their course or in accordance with the instalment dates agreed at enrolment. Should learners default on a repayment plan Etc. will make every effort to contact them by means of letter, telephone calls and emails. Note that these are reminders only and learners remain responsible for paying their fees and charges on time.

Learners finding difficulty in meeting payment deadlines are encouraged to contact Etc. to discuss matters, agree solutions and, where applicable, access additional support services.

Failure to pay may result in:

- Learners being excluded from the course if they owe tuition fees
- Learners may face legal action for non-payment of any fees
- Learners will not be allowed to register for the following academic year
- Learners will not receive their certificates
- Referral to an external debt collection agency

Referral of the debt to an outside debt collecting agency or the instigation of Court action that results in a County Court Judgement (CCJ) may affect a learner's credit rating. Referral to an outside debt collecting agency will incur additional costs for the individual learner.
